

Kennesaw Mountain High School Bands

Dear 8th Grade Band members and Parents:

As you wind down your middle school experience, we realize that you will be leaving behind some great memories, but have a lot to look forward to as you begin your high school experience. During this time, you have a lot of decisions to make about where you will spend your time in high school, the group of people you will call friends, as well as what you are eligible to do as a freshmen student. We want to help you make a decision that will allow you the opportunity to do all of these things, as well as be a part of a nationally recognized group that will give you a lifetime of memories.

Please consider this your official invitation to become a member of the Kennesaw Mountain High School Band program!

You are entering the band program on a year that will be packed with excitement and new experiences! We will be celebrating our 10th year anniversary this fall and with this will come a new look to our band. We will be purchasing a new band uniform, completely redesigned, and YOU will be the first to wear it! The band will again perform at the Georgia Dome as the defending champions of the Bands of America Atlanta Regional Championship and this is always a very exciting day for all of our members. We are also making plans to take a trip in November to Orlando, Florida in celebration of our 10th year anniversary that will be highlighted with a performance in Universal Studios theme park as well as attending a Cirque du Soleil performance! All of this in just the first four months of school!

Our students at Kennesaw Mountain are very excited about this trip and are looking forward to your involvement with us.

Please consider this invitation as a huge opportunity and one that will give you an incredible experience as a member of an organization that thrives on teaching teamwork, leadership, and responsibility. We are serious about what we do and the experiences that the Kennesaw Mountain Band program offers it's members. We're also serious about YOU becoming our next member!

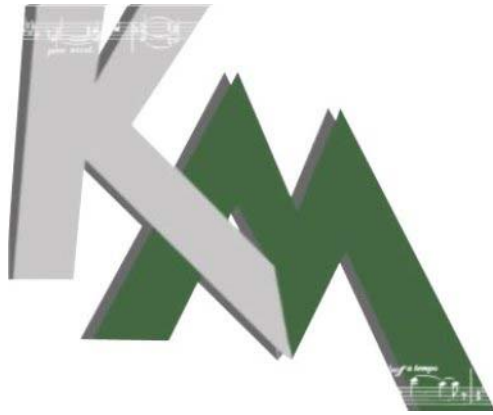

Please feel free to contact us should you have any questions regarding your involvement.

Sincerely,

David Starnes
Director of Bands

Jeff Harper
Associate Director of Bands
